MEETING OF PARENTS

Parents of those currently enrolled or to be enrolled in St. John's Religious Education Program from pre - school through high school will have the opportunity to meet, question, comment, on desired revision or changes in the present program on Monday, May 7 at 8:00 p.m., in the Parish Center Library. Tentative schedules will be announced ... this is the appropriate time to make your ideas known.

Just A Word ...

by Fr. Harvey

The brevity of my comments this week wishes only to underscore two special projects which involve every member of the parish.

As we explained, hopefully in ample fashion last week both from the pulpit and from Mr. Macek's vantage point during all Masses last weekend as well as through the Ypsilanti Catholic, the Diocesan Services Appeal (D.S.A. formerly the D.D.F.) is now underway in the parish. Another article this week averts us to the workings of this important drive on behalf of the Diocesan church in our own parish here at Ypsilanti. It is from this annual drive that many service agencies of the church receive either the whole or a portion of their operational budgets each year. Your gifts provide the resources for the operation of Newman Centers on college campuses, assistance of men preparing for the priesthood, help for the Senior Citizen, aid to Catholic Social Services and many, many more which were enumerated in last week's paper. Please give serious consideration to the Bishop's request for your help on behalf of the Church's mission to thousands of people in our own area.

The second project of a very major undertaking is also explained in today's paper. This concerns the parish - wide attitudinal survey as well as a census renewal and updating. The Survey has been carefully prepared and planned by the Parish Council and the working Commissions under the Council. Basically, we want to know many of you better and we are seriously concerned about what you think about the community of St. John. The worship commission found the survey it conducted last Fall, brief as it was, to be extremely beneficial. Many suggestions as well as some of the critical comments have been heeded and incorporated in the liturgical planning for our parish's worship. It is hoped that our present total wide survey covering the whole gamut of parish life will be of real assistance in helping the pastoral team and parish Council make plans for the ongoing development of St. John's.

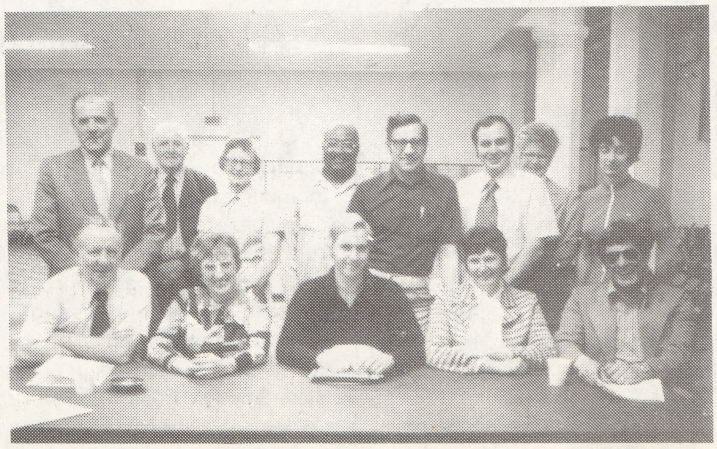
A volunteer will deliver copies of the survey to your homes soon. After a period of a few days, they will make arrangements with you to pick up the completed survey from the members of your household who are 16 years of age and older. The survey may remain completely anonymous. You may seal it, unsigned, in the envelopes provided for this purpose. The results will be recorded by computer where this is possible. All comments will be noted.

In another smaller envelope, we ask you to complete the updated census sheet for the rectory files. The mobility of this area, the great number of telephone changes that we have already discovered, make this updating a necessity. In addition to these reasons, we would like a more uniform set of information, particularly of children's ages. This information, of course, is most necessary for our educational programs.

Though both of these projects have already required many man hours and the completion of them will require even more time and energy, the cooperation of everyone is most essential. May we beg a few minutes of your time as we continue to grow together as God's people.

DSA Hopeful

If these smiling, eager faces are any indication to a successful beginning, the annual Diocesan Services Appeal is off and running. Mr. Kenneth Macek, parish chairman of the D.S.A., reiterated his confidence that St. John's parishioners would readily achieve the parish goal for this drive of $11,055.00.



Some of the associate chairmen are pictured here following an organizational meeting last week.

The willing workers are L to R (seated) Frank Greiner, Bernice Motto, John Milford, Catherine Guidebeck and

Ray Carpenter. (standing) Kenneth Macek, John Dignan, Mary Macek, Ralph Patterson, John Motto, Mike Ichesco, Alice Dignan, and Joanne Burns.

These persons, along with other associate chairmen and co-workers will be calling at your home during these next two weeks eliciting your kind support for the church's mission in our Diocese. We again beg you to receive your fellow parishioners with kindness and understanding. Their work and your generosity are both selfless and sacrificial. And only love can make either a joy.

The comment of one of the associate chairmen has remained with me. "It's about time we get actively involved again in this parish," he said. With such a spirit, we can only succeed. . . . . Fr. Harvey

SOME FACTS TO KEEP IN MIND

Diocesan -Wide D.S.A. Goal - $750,000.00

Our Parish Quota -- $11,055.00 (Based on 8½% of gross Offertory income.)

Suggested offering per family -- $35.00 (Suggested minimum. There will be opportunity for special gifts payable by installments over a nine - month period.)

How to make a gift to D.S.A. -- A parish volunteer will call at your home within these next few days to accept your gift.

Sometime within the next week or so a parishioner who lives in your area will be stopping by with two important items for you to complete. One of them is a census sheet, needed at the rectory to update the files and keep them serviceable. The second item is a brief survey which has been drawn up by the members of the Administration, Education, Service and Worship Commissions. Under the direction of our Parish Council President, Dr. Paul Nau, a team of professionals helped the Commissions ready the survey for a pilot run. About sixty members of the Parish, gathered at one of our Lenten Series meetings, answered the questions and gave valuable feedback to the survey committee which they used to form a final revision. Now the survey is ready to be distributed to you.

If you've read this far you realized that much time, thought and effort on many people's part have gone into the making. Why? Because the Parish Council as well as the Team believe that we need to know more explicitly than we now do, what you are thinking and how you feel about the way our Parish community is administered, about the educational programs we sponsor, the liturgical - spiritual opportunities we participate in and the ways in which we strive to practice Christian service.

All of our efforts, however, will be of little value, unless, YOU TOO recognize the importance of even one single contribution -- yours! Please take the time to answer the items and have the two forms completed and ready for pick up when your area representative returns.

Remember you are St. John's Parish. It is your ideas which can help to make this community meet your needs and realize your hopes for our Church.

Your main courses will be provided - we would ask that you bring either salad or dessert. Please call St. John's Rectory between 9:00 and 3:00 (483-3360) and the secretary will take your reservation. If the times are not the best for you, call Sr. Carol Denise in the evening at 483-3408. We would like to know the number attending by Thursday, May 17th. We will need to know your name, how many from your family will be attending dinner, and whether you will bring salad or dessert.

Your Executive Board is looking forward to meeting with you that day. Please reserve the time on your calendar now.

Service Commission Facilitator

SOMETHING NEW HAS BEEN ADDED

Beginning with this month's issue of the YPSILANTI CATHOLIC, and with every first issue of the month, we will be publishing the list of newcomers to our parish throughout that past month. Names, addresses, and phone numbers will be given so that you may have the chance of welcoming (if you live near) or of calling these new members, and helping them to know what is happening here and perhaps bringing them to some of our activities and introducing them to other parishioners. IN THE PEACE OF CHRIST

Our prayerful sympathy is extended to the family of Mrs. Rupert (Mamie) Miller who died suddenly on Saturday, April 26, at the age of 90.

Mrs. Miller was a long time parishioner

of our parish and until recently, made her home with her son, Paul, at 1207 Sherman.

Fr. Harvey celebrated the Mass of the Resurrection on Wednesday in our Church. Burial followed in St. John's Cemetery.

May she share the peace of the Risen Lord!

ATTENTION LADIES

We are grateful to the many ladies of the parish who have been so generous in the offering of foods for funeral dinners, socials, receptions. Thank you can never convey the gratitude the Service Commission's kitchen committee would like to express, but please know that without your generosity, this Christian work of charity would be left undone in our parish.

There are many, many dishes, pans, and broilers which have never been picked up by donors. These have all been placed on benches on the stage. It would only take a minute to stop downstairs after Mass this weekend and claim what is rightfully yours. We would appreciate this help, because soon they may get mixed in with the regular kitchen supplies and be difficult to locate.

Again, thank you for your service to the community of St. John's.

DID YOU KNOW...

...that Viola Smith is the silent lady behind the scenes when it comes to putting on the receptions in the parish. She has been invaluable in the ordering of cakes, cookies, punch, table arrangements, and the myriad details that must be taken care of before you can enjoy these refreshments. We have been especially grateful for her concern and did not mean to omit her name with the Easter thank-you's.

USED CLOTHING NOT SOUGHT

The only time that the Service Commission of St. John's makes a concerted effort to collect clothing for the needy is with the Thanksgiving Drive yearly. The rest of the time, clothing can be placed in the drop boxes throughout the city, taken to the Thrift Shop, the House by the Side of the Road, or Ypsi State Hospital Wardrobe. We have been finding bags and boxes stashed in various places in the church proper. When this happens, it makes extra work for the maintenance men who have to collect the clothing and take it to one of the places mentioned above. This can just as easily be done by you. We are always in need of ties or sweaters only for Ypsi State Hospital Workers Projects, but have no need for all items of clothing. We thank you for your consideration in this matter.

HELP NEEDED

We have quite a few who have offered to send sympathy cards to parishioners who are bed-ridden permanently, in convalescent homes, those ill for a short period but confined to bed. We need parishioner help to know who to send cards to on a regular basis. Please give name, address, phone number, and the type of illness the person has or if age has simply taken its toll. We will be all too willing to send cards but we know our list is incomplete. With your help, perhaps we can brighten many more lives.

FOR THE POOR & HUNGRY

Father, it's easy to forget the poor,
the hungry, the cold, the sick.
I have a warm coat, a comfortable
home, running water, a nearby
supermarket, a regular job.
What I have is not mine without
strings.
But if I can only remember that the
strings are lines of love it won't
be so hard to share my time, my
attention, my respect with those
You love.
(as if you didn't love everybody)
And get back without seeking it a
new appreciation of the dignity
of those who suffer.
Your blessings are not inert, if we
let them
they spring us into action. Amen.
